Rooting for #3BillionTrees

In collaboration with:

https://www.instagram.com/mehrjaehrige_baumschule

A conceptual image showing a large hand holding a globe. The globe is composed of different elements: a forest of trees, a city skyline, and a field of crops. The hand is made of a textured material, possibly wood or stone, and is holding the globe gently. The background is a soft, hazy landscape with rolling hills and a forest.

**Mixed food forests
for a healthier people
and planet!**

#ForOurPlanet 

Rooting for #3BillionTrees

**Planting is good,
creating communities
is even better!**
